# Print Studio - Quality Sample Check

Record a sample inspection, the criteria applied and the limits of the sample. Setting: Print Studio.

## Contact and reference

**Name or team reference ***

**Reply email, if needed**

**Date of record ***

## Quality Sample Check

**Batch and sampling approach ***

**Items checked and criteria applied ***

**Results, exceptions and sample limitations ***

**Follow-up inspection or correction proposed**

## Print Studio

**Print-job reference and production station ***

**Paper size, stock finish or colour specification ***

**Drying, trimming, proof-copy or dispatch requirements**

## Ownership and follow-up

**Team or role responsible for the next action**

**Target follow-up date**

**Current state of this record ***

- ☐ Open for review
- ☐ Waiting for information
- ☐ Next action agreed
- ☐ Completed and checked

**Next action and completion evidence**

## Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

**Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.**
