Program Evaluation (grant reporting)

Measure before/after change, outcomes and recommendation, and produce a consented funder-ready Program Impact Report.

Which program did you participate in? *

Rate your knowledge/skills BEFORE the program and AFTER the program for each row. *

Rate each statement from Strongly disagree to Strongly agree. *

Which of these outcomes have you experienced? *

Check all that apply.

How likely are you to recommend this program to someone in a similar situation? *

In your own words: how has this program affected you? (Stories like yours help funders understand the impact.)

May we share your anonymized feedback and story with our funders? *

Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.
