What was the most valuable part?

The hands-on workshop and the printed checklist we could take home.

What should we change or improve?

Check-in was quick and the staff were friendly. Clearer signs to the parking area would help.

How likely are you to recommend this training to a colleague? *

Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.
