Backlog Clearing Plan

Backlog queue or work group *

Example answer

Work volume and oldest unresolved items *

Two to three sentences describing the situation, what has already been tried and what outcome is needed, so the reviewer can act without follow-up questions.

Dependencies and proposed clearing order *

Two to three sentences describing the situation, what has already been tried and what outcome is needed, so the reviewer can act without follow-up questions.

Resources or decisions required to clear the backlog

Two to three sentences describing the situation, what has already been tried and what outcome is needed, so the reviewer can act without follow-up questions.

Alterations Workshop

Alteration-job reference and sewing station *

REF-2026-0147

Garment category, fabric or notions required *

Example answer

Fitting sequence, fabric handling or collection deadline

Two to three sentences describing the situation, what has already been tried and what outcome is needed, so the reviewer can act without follow-up questions.

Ownership and follow-up

Team or role responsible for the next action

Program coordinator

Target follow-up date

November 14, 2026

Current state of this record *

Open for review

Next action and completion evidence

Replaced the faulty door latch on 14 November; next review of the entrance checklist is due 1 December.

Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

Want this form tailored to your organization? Klarstig's professional services are included at no additional service charge.
