# Volunteer Coordination Hub - Procedure Trial Review

Compare a trial procedure with the intended outcome before wider use. Setting: Volunteer Coordination Hub.

## Contact and reference

**Name or team reference ***

**Reply email, if needed**

**Date of record ***

## Procedure Trial Review

**Procedure version and trial activity ***

**Expected outcome and observed result ***

**Steps that caused delays, confusion or extra work ***

**Change to test before another trial**

## Volunteer Coordination Hub

**Volunteer activity and meeting-point reference ***

**Briefing pack, identification badge or activity kit involved ***

**Shift handover, travel or kit-return arrangements**

## Ownership and follow-up

**Team or role responsible for the next action**

**Target follow-up date**

**Current state of this record ***

- ☐ Open for review
- ☐ Waiting for information
- ☐ Next action agreed
- ☐ Completed and checked

**Next action and completion evidence**

## Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

**Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.**
