# Campground - Resource Saving Trial

Plan a small resource-saving experiment and a comparable way to measure its result. Setting: Campground.

## Contact and reference

**Name or team reference ***

**Reply email, if needed**

**Date of record ***

## Resource Saving Trial

**Resource and process being measured ***

**Current measurement, units and observation period ***

**Proposed change and conditions to keep comparable ***

**Result measurement and possible side effects to watch**

## Campground

**Pitch, shared facility or arrival-session reference ***

**Site marker, welcome pack or shared equipment involved ***

**Vehicle access, quiet hours or ground-condition constraints**

## Ownership and follow-up

**Team or role responsible for the next action**

**Target follow-up date**

**Current state of this record ***

- ☐ Open for review
- ☐ Waiting for information
- ☐ Next action agreed
- ☐ Completed and checked

**Next action and completion evidence**

## Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

**Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.**
