Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- The wording is a starting point, not legal advice, and has not been reviewed for your jurisdiction. Have your own counsel review it before use.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.
