- ☐ Completed and checked

Next action and completion evidence

Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

Want this form tailored to your organization? Klarstig's professional services are included at no additional service charge.
