November 14, 2026

**Current state of this record ***

Open for review

**Next action and completion evidence**

Replaced the faulty door latch on 14 November; next review of the entrance checklist is due 1 December.

## Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

**Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.**
