## Team specific details

### Responsible reviewer and relevant jurisdiction or agreement

Complete when relevant to this request.

### Exact terms authority evidence and questions requiring review

## Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

### Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.
