Timing preparation preferences and practical adjustments

Team specific details

Sourcing request supplier or purchasing owner

Complete when relevant to this request.

Specifications alternatives approval limits and delivery requirements

Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.
