Closing Exception Log

Closing session and area inspected *

Example answer

Closing step that could not be completed *

Replaced the faulty door latch on 14 November; next review of the entrance checklist is due 1 December.

Current condition and temporary precautions *

Two to three sentences describing the situation, what has already been tried and what outcome is needed, so the reviewer can act without follow-up questions.

Evidence needed before the exception can be closed

Photos of the entrance (3), the November sign-in sheets and the maintenance ticket MT-2026-0142.

Textile Craft Collective

Production session and cutting or finishing station *

Example answer

Fabric roll, pattern version or notions batch *

Example answer

Colour-lot matching, fabric storage or shared-machine timing

Two to three sentences describing the situation, what has already been tried and what outcome is needed, so the reviewer can act without follow-up questions.

Ownership and follow-up

Team or role responsible for the next action

Program coordinator

Target follow-up date

November 14, 2026

Current state of this record *

Open for review

Next action and completion evidence

Replaced the faulty door latch on 14 November; next review of the entrance checklist is due 1 December.

Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

Want this form tailored to your organization? Klarstig's professional services are included at no additional service charge.
