## Resource Saving Trial

### Resource and process being measured \*

Example answer

### Current measurement, units and observation period \*

Two to three sentences describing the situation, what has already been tried and what outcome is needed, so the reviewer can act without follow-up questions.

### Proposed change and conditions to keep comparable \*

The Saturday session started 20 minutes late because the room was double-booked; no other exceptions.

### Result measurement and possible side effects to watch

Attendance rose from 42 to 57 people; two sign-in sheets were incomplete and have been re-checked.

## Tool Lending Library

### Loan session and tool-storage location \*

Main hall, Room 2

### Tool reference, accessory kit or carrying case \*

REF-2026-0148

### Loan turnaround, completeness check or demonstration needs

Two to three sentences describing the situation, what has already been tried and what outcome is needed, so the reviewer can act without follow-up questions.

## Ownership and follow-up

**Team or role responsible for the next action**

Program coordinator

**Target follow-up date**

November 14, 2026

**Current state of this record \***

Open for review

**Next action and completion evidence**

Replaced the faulty door latch on 14 November; next review of the entrance checklist is due 1 December.

**Limitations and what needs setup**

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.
