Training/Course Evaluation

Evaluate trainings and courses with ratings, an agreement matrix, applicability and recommendation.

Which training or course did you complete? *

Overall, how would you rate the training? *

Rate each statement from Strongly disagree to Strongly agree. *

I can apply what I learned. *

What was the most valuable part?

What should we change or improve?

How likely are you to recommend this training to a colleague? *

What topics should we cover in future sessions?

Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

Want help tailoring this form? Free, Starter and Pro include five personal setup sessions, up to 30 minutes each, per new organization.
