- ☐ Completed and checked

**Next action and completion evidence**

---

## Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.

**Want this form tailored to your organization? Klarstig's professional services are included at no additional service charge.**
