November 14, 2026

### Current state of this record \*

Open for review

### Next action and completion evidence

Replaced the faulty door latch on 14 November; next review of the entrance checklist is due 1 December.

## Limitations and what needs setup

- Submitting the form records the answers in your workspace. It does not approve, schedule, charge or reply on its own unless you add that step to the workflow.
- Email notifications, approval routing, document generation and connections to other systems are available but not switched on until you configure them.
